The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. MTG is not affiliated with the U.S. Food and Drug Administration.

"Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding."

MTG will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above unless said registration is terminated after issuance of this certificate. MTG makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate holder's device or establishment by the U.S. Food and Drug Administration. MTG assumes no liability to any person or entity in connection with the foregoing.
